

JAGUAR RECERTIFIED CATALYTIC CONVERTERS DATA SHEET

Jaguar Recertified Catalytic Converters

Part Number: Full list of part numbers provided

Applications: Jaguar XJS, XJ6, XJ12, S-Type

Other Suggested Parts

- [Oxygen Sensors](#)
- [Exhaust Gaskets](#)
- [Exhaust Clamps](#)

Product Summary

Black Dog Manufacturing offers an affordable alternative to factory Jaguar Catalytic Converters. Our converters are pre-tested to meet emissions specifications before they are shipped.

Product Description

Our Recertified Catalytic Converters are sandblasted and painted. Each converter will contain a serial number stamped for identification and licensing

Features & Benefits

- Meet factory specifications
- Sandblasted and painted
- Tested for emissions compliance by a licensed recertification company
- 12 month warranty
