

Remanufactured Jaguar Brake Calipers

Black Dog Manufacturing offers a complete range of Jaguar remanufactured brake calipers. These are a great alternative to new units and still come with a 12 month warranty from time of purchased. See our part numbers and applications on page 2.

Product Description

The remanufactured brake calipers are a "high quality rebuild" including new caliper pistons (where necessary) and seals. The units are thoroughly tested. The calipers are not loaded with brake pads so the customer is free to make his own brake pad selection.

Features & Benefits

- High quality rebuild
- New caliper pistons where necessary
- Not loaded with generic low quality pads
- Pre-tested for working conditions
- 12 month warranty
