

Remanufactured Jaguar Steering Racks

Black Dog Manufacturing offers a complete range of Jaguar remanufactured Power Steering Racks. These are a great alternative to new Steering Racks.

Product Description

The Remanufactured Power Steering Racks are a "high quality rebuild" including new Seals, Rack Boots, Tie Rods and the Power Steering Rack piston is re-chromed if needed. The units are thoroughly tested and checked on a tester developed by our reman facility. A rebuildable Jaguar Steering Rack core is required on an exchange basis.

Features & Benefits

- Exact replacement of factory unit
- 12 Month or 12,000 mile warranty from time of purchase
- New Seals, Rack Boots and Tie Rods
- Fully tested
- In Stock ready to ship
