

Remanufactured Land Rover Engines

Motorcars LTD rebuilds Land Rover engines through our manufacturing division, Black Dog Manufacturing. We use the core of an original Land Rover engine to rebuild the engine. A Black Dog Manufacturing rebuilt engine is a much lower priced alternative to a new engine.

Product Description

Our remanufactured engines are rebuilt to meet or exceed factory specifications. The rebuilt engines are in stock, cleaned and refurbished. We install new steel liners and use new gaskets. We rebuild or replace the oil pump, install new chains and timing gears. Remanufactured parts carry a 12 month unlimited mileage warranty.

Features & Benefits

- Less expensive than a new engine
- All specs and clearances checked to comply with factory "NEW"
- Steel Sleeves installed in every engine block
- Cylinder heads are completely refurbished
- All parts are checked for wear and replaced when necessary
- All engines are spun for oil pressure and compression tested
- All engines are cleaned and painted before shipping
- 12 month unlimited mileage warranty
- In Stock- Fast Delivery
